

IN THE SPECIFICATION

Please replace the paragraph on page 1, beginning at line 7 and ending at line 10, with the following paragraph:

A1 -- This Application is a Continuation-in-Part of commonly-owned United States Patent US 6,235,179 B1 filed May 12, 1999 and issued May 22, 2001, entitled "ELECTROPLATED STRUCTURE FOR A FLAT PANEL DISPLAY DEVICE" to Besser et al.--

Please replace the ABSTRACT on page 26, beginning at line 8 and ending at line 17, with the following paragraph:

A2 -- A low-contaminant dual layer apparatus adapted for use in a flat panel display device is described. The apparatus includes a dual layer electroplated structure for containing the movement of electrons. The electroplated structure resides within an active region of the flat panel display device. The electroplated structure has a cavity adapted to having sub-pixel forming material deposited within and contains substantially no organic material. --
